GUEST SKATERS PROFILES

Jennifer Johnston

Jennifer Johnston is from the Madoc and District Figure Skating Club. Dance, figures and freestyle comprise the CFSA test stream. Jennifer is presently working on her third figure, Killian and Paso Senior Silver Dances and Junior Silver Freeskate.

Besides working on these elements, she has enjoyed coaching the CANSKATE and CANFIGURESKATE programs in Madoc for 5 years and this year at the Marmora Club.

Jennifer is 17 years old and attends grade 12 at Centre Hastings Secondary School. It is her hope to complete her Gold dances in the near future.

Theresa McCaw

Theresa McCaw is 16 years old and belongs to the Napanee and Distric Figure Skating Club.

Theresa is the first in her club to hold a double gold. She acquired her Gold Freeskate and completed all her Gold Dances in this last year.

She is now competing as a Novice Lady, placing at the Eastern Ontario Sectionals in Corwall.

At the Napanee Invitational '88, she took the Gold for the Novice Ladies.

Recently at the Oshawa Invitational she placed third.

Theresa hopes to compete someday at the Canadians. She is skating today to "You Make My Heart Go Bang".

Amy Acorn

Amy Acorn is 9 years old. She has been skating for 5 years as a member of the Havelock Figure Skating Club. In 1987 at the Shining Waters Competition she was Gold Medalist in Pre Preliminary. She will be skating to "I Had The Time Of My Life".

Happy 10th Anniversary!

Summer Bertrand

Summer Bertrand is 9 years old. She learned how to skate at the age of 3, joined the Stirling Club when she was 5, started taking private lessons by the time she was 7 and, by her 8th birthday she passed her Dutch Waltz. She had a serious knee injury in October. Because of the seriousness of the injury, doctors thought that she might not be able to skate at all this year. With sheer determination to skate again, she worked very hard to regain her strength. Due to her hard work she was allowed to return to skate the first week of January. Since then she has learned a new solo and she will be competing at the Quinte and District Interclub Competition, the 21st of February in Madoc. In March, she will be trying her Canasta Tango and Swing Dance and her Preliminary Freeski which you will be seeing here today.

Way to go Summer, you've come a long way! We welcome you back.

Allison Williams

Allison Williams is 9 years old. She learned how to skate when she was 2 years old, joined the Frankford Figure Skating Club and by age 7 completed all CANSKATE badges and some CANFIGURESKATE badges. By the age of 8 she had passed her Preliminary Figures, Preliminary Freeski, her Dutch Waltz, Canasta Tango and Swing. This year, Allison is embarking on her busiest year yet. She passed her Ten Fox Dance in December and expects to do very well at the Trent Interclub Competition this February in Frankford. In March it's back to test time again for Allison as she will be trying her first figure test, Junior Bronze Freeski, Fiesta Tango and Willow Waltz. Allison impressed the Marmora Figure Skating Club last year and is welcomed back.
